CB Test Certificate

This page provides the **CB test certificate** for the Green Drive tubular linear motors. The CB certificate confirms conformity with the IEC safety requirements for adjustable speed electrical power drive systems.

The Green Drive tubular linear motors are certified following the IEC, IECEE — IEC SYSTEM FOR MUTUAL RECOGNITION OF TEST CERTIFICATES FOR ELECTRICAL EQUIPMENT (IECEE) CB Scheme. Additional information here: https://www.iecee.org/who-we-are/cb-scheme

Conformity test related to **IEC 61800-5-1:2007 + A1:2016 — Adjustable speed electrical power drive systems — Part 5-1: Safety requirements — Electrical, thermal and energy**.

Here you can download the certificate: :green_drive_motors:si-12320.pdf

Notes

- The CB scheme is the IECEE international system for the mutual recognition of test certificates. - The certificate covers the safety requirements according to IEC 61800-5-1. - Keep the certificate with the machine documentation; it may be required for acceptance and inspection. - The CE declaration is provided separately; refer to the certification page.
