# 3D Models

This page lists the **3D models** available for the MBM motor sizes. The models are provided as ZIP archives for CAD integration.

| Motor size | Motor codes | Frame size [mm] | Document |
|---|---|---|---|
| Size 0 | MBM04, MBM05 | 40 | :mbm_motors:mbm0x.zip |
| Size 2 | MBM21, MBM22 | 60 | :mbm_motors:mbm2x.zip |
| Size 3 | MBM31,MBM32,MBM33,MBM34 | 85 | :mbm_motors:mbm3x.zip |
| Size 4 | MBM41,MBM42,MBM43 | 115 | :mbm_motors:mbm4x.zip |
| Size 5 | MBM51,MBM52,MBM53,MBM54 | 142 | :mbm_motors:mbm5x.zip |

## Notes

- The frame size is the mounting dimension of the motor. - Each ZIP archive contains the 3D model for the corresponding motor size. - Use the model together with the technical data page for the mechanical design.
