

3D Models

This page lists the **3D models** available for the MBM motor sizes. The models are provided as ZIP archives for CAD integration.

Motor size	Motor codes	Frame size [mm]	Document
Size 0	MBM04, MBM05	40	:mbm_motors:mbm0x.zip
Size 2	MBM21, MBM22	60	:mbm_motors:mbm2x.zip
Size 3	MBM31,MBM32,MBM33,MBM34	85	:mbm_motors:mbm3x.zip
Size 4	MBM41,MBM42,MBM43	115	:mbm_motors:mbm4x.zip
Size 5	MBM51,MBM52,MBM53,MBM54	142	:mbm_motors:mbm5x.zip

Notes

- The frame size is the mounting dimension of the motor. - Each ZIP archive contains the 3D model for the corresponding motor size. - Use the model together with the technical data page for the mechanical design.
