Product Index

This page groups all NILAB products by category for quick navigation. Choose a category below and follow the link to the product family page.

Linear motors

* NLi — Integrated miniature tubular linear motors * GD — Green Drive Standard * GDi — Green Drive ISO 15552 * GDiR — ISO Roto-linear * Green Drive Water — 400 VAC water-cooled tubular motor * NL — Miniature linear motors * NLiR — Integrated roto-linear motors * NLi-EtherCAT — Integrated linear motors * L/LK — Ironcore linear motors * NLNS — Ironless linear motors

Linear axes and axes

* GDM — Tubular Linear Axis * LM — Linear Axis * RM — Linear Axis * MCSS — Mini Linear Slides * Nano Positioners — NANO series for life science * ULCO — Belt-driven linear units * NL-BCJ — Eco Linear axis * LMA — Linear actuator * NELA — 24 VDC linear actuator * Maglift — Vertical counterbalance * NLiP — Parallel kinematic robot * Motolab — Linear actuator

Servo drives and servo motors

* Epulse 30/50/100 — DC servo drive * Epulse10 — DC servo drive * MBD 230/400 — Servo drive * NL7 — Servo drive * MBM — AC brushless servo motors

Software and tools

* NILAB Starter Software * NILAB ST to IL Converter * NILAB EtherCAT Bus Interface * Engineer's Guide

Safety

* NL-EB15 — Compact safety light curtain
