

# Service Bulletin - Integrated Drive miniature linear motors

Change log:

## [2023:1]

**PRODUCT INVOLVED:** NLI series.

**STARTING FROM S/N: DA00013650**

### **ACTION:**

- Digital Output protection and output type change
- Added PTC protection on the 3 digital output
- Changed the output type from NPN with pull-up to PNP open drain.

### **WARNING:**

Please take into account that the output are PNP instead of NPN

### **IMPROVEMENTS:**

1. Protection against high load on the digital output
2. Better compatibility with PLC systems
