

Service Bulletin - Integrated Drive miniature linear motors

Change log:

[2023:1]

PRODUCT INVOLVED: NLi series.

STARTING FROM S/N: DA00013650

ACTION:

- Digital Output protection and output type change
- Added PTC protection on the 3 digital output
- Changed the output type from NPN with pull-up to PNP open drain.

WARNING:

Please take into account that the output are PNP instead of NPN

IMPROVEMENTS:

1. Protection against high load on the digital output
2. Better compatibility with PLC systems
